How to find us

Please see map overleaf or

By Car: Best directions are online through Google maps or a satnav function. We are fairly easy to find and located off the A212, opposite the large 'Old Whitgiftians' playing fields. There is Baptist church further along Croham Road near the South Croydon railway bridge - people sometimes get confused.

Parking: There is a small car park on site for around 10 cars (with some manoeuvring). This is often reserved for special guests or disabled access. Street parking is limited (yellow line and daytime bays) on Croham Park Avenue and not permitted near the church on Croham Road. Nearby streets have limited parking – those south of Croham Road (eg Croham Manor Road, Manor Way) and East of the church (eg Castlemaine avenue) are free. We suggest you arrive early for big functions such as weddings.

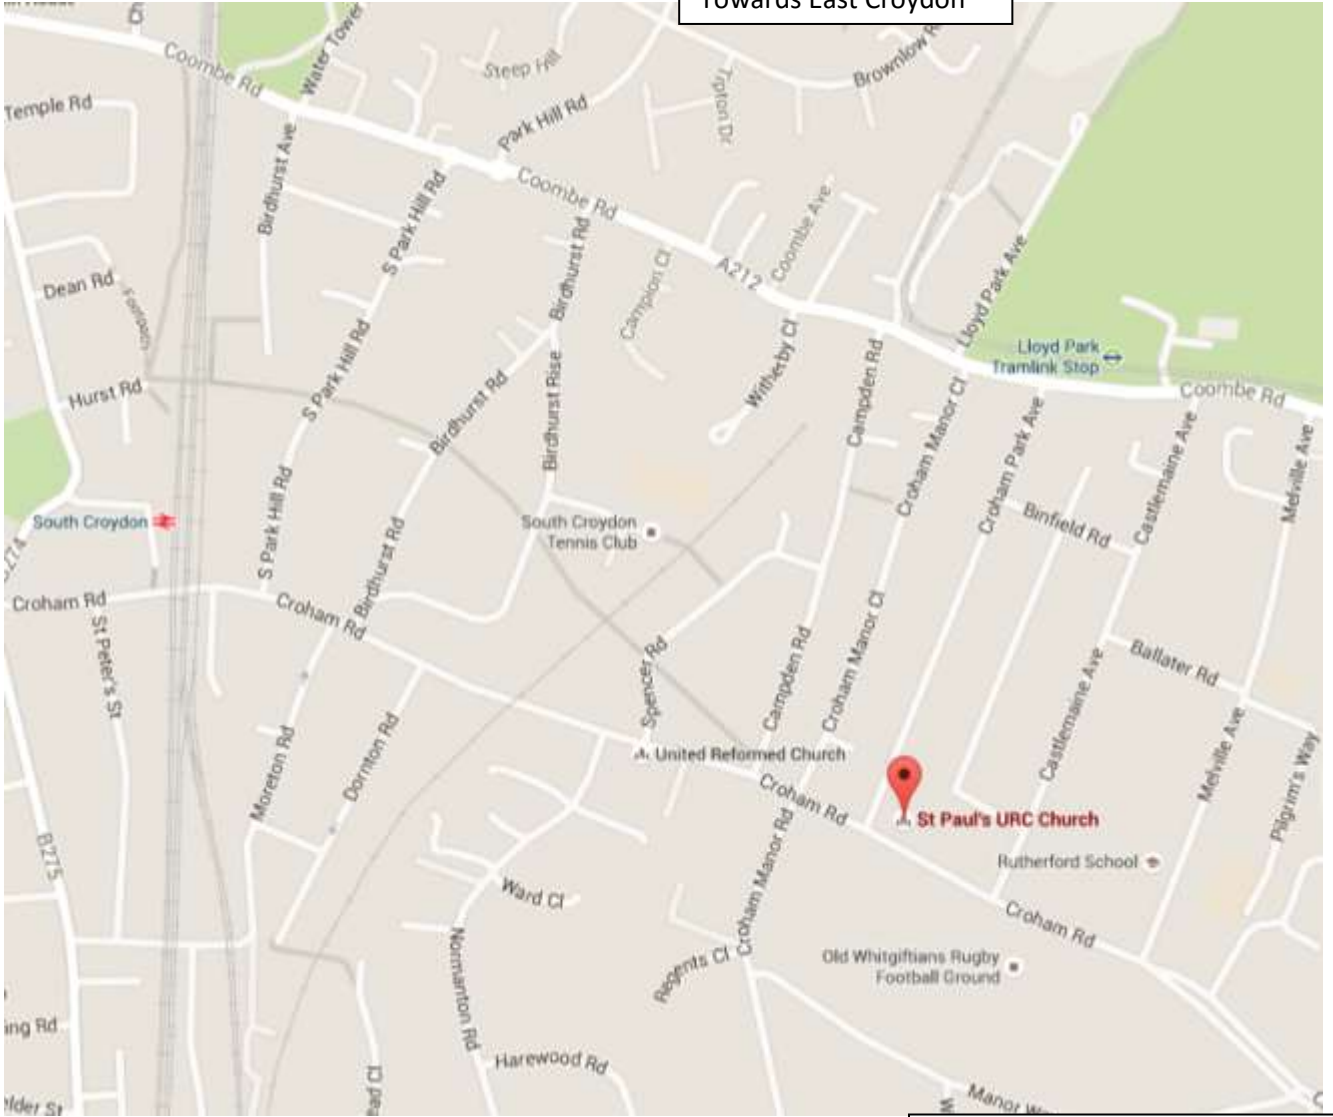

By Public Transport – very easy:

Train –South Croydon (see map) is served by local trains – 10 minute walk. East Croydon (mainline) is 2km away and served by London Bridge, Victoria, Waterloo (change at Clapham Junction) Gatwick and Brighton

Bus - 64 and 433 to New Addington / Addington Village run every 5-10 minutes from East Croydon station (stop E4) and stop outside the church

Trams from New Addington and East Croydon stop at Lloyd Park at the north end of Croham Park Avenue, running every 7-10 minutes, 5 minute walk
